

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders of Kubota Corporation:

We have audited the accompanying consolidated balance sheets of Kubota Corporation and subsidiaries (the "Company") as of March 31, 2005 and 2004, and the related consolidated statements of income, comprehensive income (loss), shareholders' equity, and cash flows for each of the three years in the period ended March 31, 2005, all expressed in Japanese yen. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Certain information required by Statement of Financial Accounting Standards ("SFAS") No. 131, "Disclosures about Segments of an Enterprise and Related Information" has not been presented in the accompanying consolidated financial statements. In our opinion, presentation concerning operating segments and other information is required for a complete presentation of the Company's consolidated financial statements.

The Company has not accounted for a nonmonetary security exchange transaction, that occurred during the year ended March 31, 1997, in accordance with accounting principles generally accepted in the United States of America. In our opinion, the recognition of the non-monetary exchange gain, and the related impact in subsequent periods, is required by accounting principles generally accepted in the United States of America. The Company has disclosed the effects of the departure and other relevant information in Note 1 to the consolidated financial statements.

In our opinion, except for the omission of segment and other information required by SFAS No. 131 and the effect of not properly recording a nonmonetary security exchange transaction, as discussed in the preceding paragraphs, such consolidated financial statements present fairly, in all material respects, the financial position of Kubota Corporation and subsidiaries as of March 31, 2005 and 2004, and the results of their operations and their cash flows for each of the three years in the period ended March 31, 2005 in conformity with accounting principles generally accepted in the United States of America.

As discussed in note 17 to the consolidated financial statements, the accompanying consolidated balance sheet as of March 31, 2004 has been restated.

Our audits also comprehended the translation of Japanese yen amounts into U.S. dollar amounts and, in our opinion, such translation has been made in conformity with the basis stated in Note 1. Such U.S. dollar amounts are presented solely for the convenience of readers outside Japan.
